

Quick Reflections:

1. **Reflect:** Noone is poor. Only our **standards** are too high.
2. **Reflect:** God does not see what you offer, but with what **feelings** you offer.
3. **Reflect (9.29):** I am **impartial** towards all; believer & non-believer, sinner & saint, rich & poor.
4. **Reflect (9.30):** Even worst sinner can **transform** when he/she decides to do so.
5. **Reflect (9.22):** When He (Bhagavān) alone becomes the **love of our life** - we are cheerful with or without the world - we become self-dependent.

Or will be caught up **maintaining perishable** aparā-prakṛti? :)
